

ALBERTA BRED QUARTER HORSE DECLARATION FORM

To apply for AQHRA Alberta Bred accreditation, please complete and return this form to the AQHRA.

N.B. For foals born in 2005 and later, all *out-of-province* owners must have a Veterinarian's signature to verify that the horse was born in Alberta.

Alberta residents must have an independent third party witness (i.e. not a family member or an employee, etc. and preferably a Veterinarian) verify that their horse was born in this province if it was sired by a stallion that is **not** Alberta based. If an Alberta resident's foal was sired by an Alberta based stallion, verification by an independent witness is not required on this form.

Please list any information that will help to substantiate Alberta as the foaling location:

I/We understand that falsifying foaling information and/or this declaration is considered a serious offence by the Alberta Quarter Horse Racing Association, American Quarter Horse Association and Horse Racing Alberta. If the declared location of foaling is questionable, the onus will be on the Breeder/Owner to provide further documentation (breeding records, invoices, import papers, witness statements, etc) to verify eligibility for Alberta Bred incentives.

I/We also understand that should I fail to provide adequate documentation (if requested), the horse shall be ineligible for Alberta Bred races or incentive programs. The Owner, Trainer, Breeder and Stallion Owner shall relinquish all rights to receive Alberta Bred bonus or prize money and any award(s) derived from having Alberta Bred status if accreditation is not obtained.
