

MEMORANDUM

Date: Friday, July 10, 2009

To: AQHRA Members and Participating Horsemen

From: Christie Drader

Re: Annual Breeders Survey

One of the requirements for the continued support from Horse Racing Alberta is the annual collection of various breed performance measures. In order to receive funding for owners' and breeders' bonuses, the AQHRA asks you to respond to the following questions (pertaining to Quarter Horses):

	2009	2010
How many mares did you breed, or plan to breed, in Alberta:	_____	_____
How many foals were born, or expect to be born, in Alberta:	_____	_____

Individual Statistics will be kept confidential – only provincial statistics are compiled.

Please print your name: _____

Once you have completed the survey, please fax back to our office (403) 381-8197. If you have any questions or comments regarding this annual survey, please contact the association. Thank you.

Yours truly,

Christie Drader
Program Coordinator – AQHRA
