Dear AQHRA Members

Re: Breaking Maiden Rebate

The Alberta Quarter Horse Racing Association would like to inform everyone who had purchased a yearling at our 2007 Yearling & Stallion Service Auction that you are entitled to a \$1,500 rebate if your horse breaks its maiden as a two or three year old. Please fill out the application below and send it back to AQHRA's office. Once we receive your application we will begin to process this rebate. Please be advised that there will be three payouts for the 2009 racing season, July 15, September 15 and November 15. We also require proof that your horse in fact did break its maiden such as a past performance record from AQHA, equibase or the race track. If you have sold the horse could you be so kind to forward this information on to the new owner(s).

If you require further information regarding this letter please feel free to contact AQHRA's office. Thank you.

Yours truly,

Christie Drader
Program Coordinator – AQHRA
